## **Resource – Spanish language resource**

### **Spanish**

#### **Language support resource**

The Spanish Language support resource was developed to support teachers as they plan teaching and learning programs to implement the Australian Curriculum: Spanish. It is optional and includes illustrative examples of language and language use.

Introduction

The resource provides suggestions for sequential development in 2 parts:

- Part 1 – language features and structures
- Part 2 – thematic contexts for language use.

The content is presented in 3 broad levels: beginner, intermediate and advanced, and is independent of the year bands and sequences in the curriculum and the time spent on task.

Teachers can use suggestions in the resource to adapt curriculum content to meet the diverse language needs and learning backgrounds of students at different entry points into second language learning. For example, if a Year 5 student is learning Spanish for the first time, a teacher can use the cognitive demand of the Years 5 and 6 curriculum achievement standards and content descriptions combined with beginner language features and structures, and/or thematic contexts.

Language features and structures

Part 1 provides language features and structures that are neither exhaustive nor mutually exclusive across the 3 different levels. Beginner, intermediate and advanced levels demonstrate how a particular feature or structure could be developed at different stages of a continuum of second language learning.

Thematic contexts for language use

Part 2 provides examples of thematic contexts for language use at beginner, intermediate and advanced levels. They are designed to give teachers ideas about how to support a progression of learning related to contexts and concepts of language use. Teachers are encouraged to adapt these to allow for student agency and to meet the needs, abilities and interests of their students, using the approaches, methodologies and pedagogies that best suit their students' learning.

## **Resource – WS01 - Parts of the body**

By the end of Year 2, students use Spanish language to interact and share information related to the classroom and themselves. They use cues to respond to questions and instructions, and use simple formulaic language. They locate and convey key items of information in texts using non-verbal, visual and contextual cues to help make meaning. They use familiar words and modelled language to create text.

Students imitate the sounds and rhythms of Spanish and demonstrate understanding that Spanish has rules for non-verbal communication, pronunciation and writing. They give examples of similarities and differences between some features of Italian and English. They understand that language is connected with culture, and notice how this is reflected in their own language(s) and culture(s).

## AC9LS2C01

The following learning progression extract shows the alignment of the learning progression with this content.

### **Comprehension**

- listens actively and responds to a range of texts read by others
- makes a simple statement about the content of a text (e.g. "it was about the farm")
- engages in group discussion about a text or shared learning experience
- talks about images and/or some printed words in a text
- answers and poses mainly literal questions about the text
- infers and then describes obvious cause and effect relationships (e.g. uses information in the text to infer why a character is smiling in an image)

### **Processes**

- follows text direction when read to by a proficient reader
- locates the front and back of a book and turns pages correctly
- locates the starting point for reading on a page or screen
- uses touch or click features to navigate a text (e.g. clicks arrows to move text along, uses pause/play button to start/stop text, clicks icons to view specific aspects of screen-based texts)

### **Vocabulary**

- asks questions to find out meaning of unfamiliar words
- uses words in discussions that have been encountered in simple texts

### **Comprehension**

- reads and views simple texts with support from a proficient reader (see Text complexity)
- retells a familiar story or shared learning experience
- contributes to group discussion, demonstrating understanding of a range of texts read by proficient readers
- makes relevant comments or asks relevant questions to demonstrate understanding of a text
- makes connections between texts and personal experiences

### **Processes**

- uses some phonic and contextual knowledge to decode simple texts (see Phonic knowledge and word recognition)
- decodes a few words in a text using phonic knowledge (see Phonic knowledge and word recognition)
- identifies taught high-frequency words in a text (see Phonic knowledge and word recognition)
- demonstrates one-to-one correspondence by pointing to words in a continuous text or in the environment (see Phonic knowledge and word recognition)
- tracks text left to right
- uses return sweep
- consistently reads left page before right page
- makes predictions (e.g. uses the cover of a book or screen image to predict the content)
- identifies simple grammatical features (e.g. identifies verbs in a set of instructions) (see Grammar)
- pauses or appeals for support when meaning is disrupted
- recognises sentence boundary punctuation and uses it when reading aloud (see Punctuation)

### **Vocabulary**

- demonstrates knowledge of common morphemic word families when reading (e.g. identifies the word "run" in "running")
- recognises key content or repeated words in a simple text (see Text complexity)

### **Comprehension**

- reads and views simple texts independently (see Text complexity)
- locates directly stated information
- recounts or describes sequenced ideas or information
- identifies a clearly evident main idea in a simple text
- listens to texts to engage with learning area content (e.g. a text about family histories)

- reads and views the content of texts and describes new or learnt information
- expresses an opinion or preference for a topic or text with a supporting reason
- draws obvious inferences by integrating print, visual and audio aspects of simple texts (e.g. uses images and key words to infer a character's job)
- identifies some differences between imaginative and informative texts (e.g. different styles of images in a fairy tale and instructions for a game)

### **Processes**

- listens actively and responds to short texts consisting of a few sentences
- recalls one or 2 ideas from a short text or interaction
- answers simple or literal questions
- asks what, when, why questions about a text they have listened to
- uses facial expressions, gestures or actions to indicate understanding of tone and intonation
- discriminates individual words in a short, spoken sentence (e.g. identifies "lunchtime" in "the meeting for the excursion is at lunchtime")
- describes familiar objects and actions heard in a text or interaction (e.g. "the chicken ate the bug")
- accurately repeats, short phrases and statements from a short text or interaction
- recognises and generates one-syllable rhyming words (see Phonological awareness)
- responds to simple and elementary texts (see Text complexity)
- recalls specific information from a spoken text (e.g. recalls a message from a school assembly announcement)
- answers literal and simple inferential questions from a text they have listened to
- infers obvious meaning from a simple, spoken text (e.g. identifies character's job as a sales assistant from dialogue with a shopper)
- experiments with a small range of listening strategies (e.g. asks speaker to repeat information, if unclear)
- uses learnt vocabulary and simple adjectives to recount key ideas from heard text
- responds to elementary texts (see Text complexity)
- listens purposefully to texts to identify specific learning area content
- recalls specific information from a learning area text
- attends to sequence when recounting ideas
- infers meaning that may be less obvious (e.g. infers beach context from hearing background sounds of seagulls and surf)
- describes tone and intonation of spoken text (e.g. "she spoke with an angry tone")

- retells a familiar story with some possible minor adaptations
- selects appropriate listening strategies (e.g. asking questions to elicit extra information, rephrasing others' contributions to check own comprehension)
- listens for cohesive vocabulary to support comprehension (e.g. listens for temporal connectives such as "first", "then", "finally" and conjunctions such as "also" to identify next section in text)

### **Resource – Modern Greek language resource**

## **Modern Greek**

### **Language support resource**

The Modern Greek Language support resource was developed to support teachers as they plan teaching and learning programs to implement the Australian Curriculum: Modern Greek. It is optional and includes illustrative examples of language and language use.

#### **Introduction**

The resource provides suggestions for sequential development in 2 parts:

- Part 1 – language features and structures
- Part 2 – thematic contexts for language use.

The content is presented in 3 broad levels: beginner, intermediate and advanced, and is independent of the year bands and sequences in the curriculum and the time spent on task.

Teachers can use suggestions in the resource to adapt curriculum content to meet the diverse language needs and learning backgrounds of students at different entry points into second language learning. For example, if a Year 5 student is learning Modern Greek for the first time, a teacher can use the cognitive demand of the Years 5 and 6 curriculum achievement standards and content descriptions combined with beginner language features and structures, and/or thematic contexts.

#### **Language features and structures**

Part 1 provides language features and structures that are neither exhaustive nor mutually exclusive across the 3 different levels. Beginner, intermediate and advanced levels demonstrate how a particular feature or structure could be developed at different stages of a continuum of second language learning.

#### **Thematic contexts for language use**

Part 2 provides examples of thematic contexts for language use at beginner, intermediate and advanced levels. They are designed to give teachers ideas about how to support a progression of learning related to contexts and concepts of language use. Teachers are encouraged to adapt these to allow for student agency and to meet the needs, abilities and interests of their students, using the

approaches, methodologies and pedagogies that best suit their students' learning.

##### **Learning progression extract**

The following learning progression extract shows the alignment of the learning progression with this content.

##### **Crafting ideas**

- writes ideas in sentence fragments or a simple sentence (e.g. "I am 6.")
- explains the purpose and audience of familiar imaginative and informative texts
- creates short texts in different forms such as a simple recount
- combines visuals with written text where appropriate
- reads back own writing word by word
- talks about own text and describes subject matter and images

##### **Text forms and features**

- writes some appropriate letter combinations to represent less familiar words (see Spelling and Phonic knowledge and word recognition)
- writes with noun-verb agreement (e.g. "I am"), articles (e.g. "a man") and personal pronouns (e.g. "my mum") (see Grammar)
- writes from left to right using spaces between attempted words
- uses basic noun groups/phrases (e.g. "my house") (see Grammar)
- uses some sentence punctuation (e.g. capital letters at the beginning of a text)

##### **Vocabulary**

- writes simple familiar words (e.g. "saw", "food", "they")
- includes some learning area vocabulary in own texts (e.g. "season")
- uses taught high-frequency words

##### **Crafting ideas**

- creates a text including 2 or 3 related ideas for a familiar purpose such as recounting an event, telling a story, expressing thoughts, feelings and opinions
- includes beginning structural features (e.g. statement of an opinion, a heading, description of an event linked to time and place)
- creates texts for learning area purposes (e.g. labelling a simple diagram, ordering events on a timeline)

##### **Text forms and features**

- writes simple sentences made up of basic verb groups, noun groups and phrases (e.g. "We visited my aunty's house last week.")
- writes compound sentences using common conjunctions (e.g. "My house is big but the garden is small.")
- makes plausible attempts to write unfamiliar words phonetically (e.g. "enjn" for "engine") (see Spelling)
- uses capital letters correctly to indicate proper nouns (see Punctuation)
- uses capital letters at the start and full stops at the end of sentences (see Punctuation)
- spells some high-frequency words correctly (see Spelling)
- uses appropriate key words to represent simple concepts (e.g. "aunty", "sister", "cousin" in a text about family)

##### **Vocabulary**

- uses adjectives to add meaning by describing qualities or features (e.g. "small", "long", "red") (see Grammar)
- uses words in own writing adopted from other writers
- uses simple words to add clarity to ideas (e.g. modifying and qualifying words such as "very")

##### **Crafting ideas**

- creates texts for a range of purposes such as observing and describing, providing reasons,

expressing thoughts and feelings about a topic

- includes 4 or more simply stated and clearly connected ideas (e.g. introduces a topic and includes one or 2 facts; states an opinion with a reason; gives a recount of an event)
- includes a simple introduction to orient the reader (e.g. states a fact to introduce a report; states an opinion to introduce an argument; introduces a character to begin a narrative)
- writes ideas appropriate to a task or topic in sequenced sentences (e.g. writes informative texts with all the facts related to the topic)
- selects and discards ideas to make texts suitable for familiar audiences and purposes

### **Text forms and features**

- writes simple, compound and some complex sentences related to a topic using a broader range of conjunctions (e.g. "and", "but", "so", "because", "when") (see Grammar)
- maintains tense within a sentence (see Grammar)
- selects images to complement writing
- spells many high-frequency words correctly (see Spelling)
- uses sentence punctuation correctly (e.g. !, ?) (see Punctuation)
- uses noun groups/phrases to add detail (e.g. "the tomato plant in the pot") (see Grammar)
- uses a range of simple cohesive devices such as pronoun referencing and sequencing connectives
- uses adverbs to give precise meaning to verbs (e.g. "talking loudly") (see Grammar)

### **Vocabulary**

- uses a range of qualifying words (e.g. "every day"; "action movie")
- selects more specific adjectives (e.g. "giant" for "tall"; "golden" for "yellow")
- uses learning area topic vocabulary (e.g. "natural")
- uses common homophones correctly (e.g. "two", "too", "to")
- uses common idiomatic and colloquial phrases (e.g. "a piece of cake")

## **Snapshot – Speaking**

#### **Learning progression extract**

The following learning progression extract shows the alignment of the learning progression with this content.

#### **Crafting ideas**

- retells personal events and experiences to peers and known adults
- shares feelings and thoughts about the events and characters in text
- retells key details or points from a learning experience or text viewed or heard
- uses mainly appropriate word order
- uses appropriate volume for small audiences
- uses rehearsed phrases to introduce themselves (e.g. "Good morning, my name is ...")

#### **Vocabulary**

- uses simple connectives to join ideas (e.g. "and then") (see Grammar)
- uses familiar spoken language to communicate connected ideas (e.g. "Let's draw. I'll get paper and pencils.")
- uses simple adjectives and adverbs to add detail (e.g. "yellow", "quickly") (see Grammar)
- uses a small range of qualifying adjectives (e.g. "nice", "good") (see Grammar)
- uses simple language to compare and contrast (e.g. "smaller", "more")
- uses common time and causal connectives to relate ideas (e.g. "then", "because") (see Grammar)

#### **Crafting ideas**

- creates short texts using a few connected sentences, on familiar and learnt topics (e.g. retells a familiar story or describes a process)
- speaks audibly and clearly to a familiar audience (e.g. own class)
- uses some extended sentences
- organises key ideas in logical sequence
- provides some supporting details
- expresses causal relationships (e.g. "when the egg cracked, the chicken came out")
- provides simple justifications (e.g. "I chose cherries because they are red.")

- uses some varying intonation or volume for emphasis
- regulates pace with pausing

### **Vocabulary**

- uses some precise vocabulary from learning areas
- uses connectives to sequence ideas (e.g. "first", "then", "next", "finally") (see Grammar)
- uses vocabulary to express cause and effect (e.g. "The excursion was cancelled because it rained.")
- uses some modal language to influence or persuade (e.g. "should", "will") (see Grammar)

### **Crafting ideas**

- creates spoken texts for a range of purposes across learning areas (e.g. explains how the mathematics problem was solved)
- uses complex sentence constructions including relative clauses (e.g. "The boy who drew the picture got a prize.") (see Grammar)
- adjusts register according to purpose and audience
- elaborates on ideas using a short sequence of sentences
- incorporates learnt content into spoken text
- sequences ideas and events appropriately
- uses mainly correct grammatical constructions (e.g. pronoun references; noun-verb agreement)
- varies volume and intonation to suit purpose and audience
- plans and delivers spoken presentations using appropriate structure and language
- includes video and audio enhancements to spoken texts, where appropriate (e.g. includes slides or pictures in a spoken presentation)

### **Vocabulary**

- experiments with vocabulary drawn from a variety of sources
- uses adverbials to give more precise meaning to verbs (e.g. talking loudly) (see Grammar)
- uses a range of vocabulary to indicate connections (e.g. consequences)
- uses conditional vocabulary to expand upon ideas (e.g. "If Goldilocks ate all the porridge the bears would be hungry.")

#### **Learning progression extract**

The following learning progression extract shows the alignment of the learning progression with this content.

#### **Phonic knowledge**

- reads words with taught vowel digraphs (e.g. "ee", "oo", "ay", "ai", "ea", "oa", "ow") and applies this knowledge when reading decodable texts
- reads and writes common, one- and two-syllable words with clusters of consonants (e.g. "plant", "string", "object")
- reads 2-syllable words with open or long vowel sounds when reading decodable texts (e.g. "label", "project", "even")

#### **Word recognition**

- reads most common high-frequency words (e.g. 100 or more) in continuous text

#### **Phonic knowledge**

- reads CCVCC words (e.g. "trust"), CCCVC words (e.g. "scrap"), CCCVCC words (e.g. "thrust") and applies this knowledge when reading continuous texts

- reads words with r-controlled vowel digraphs "ar", "er", "or", "ur", "ir", writes words accordingly and applies this knowledge when reading continuous texts (e.g. "ir" - "bird", "er" - "sister", "ar" - "card", "ur" - "hurt", "or" - "word")
- applies common phonic generalisations when reading continuous texts (e.g. soft "g" - "age", hard "g" - "game")
- says and represents the new word when asked to delete a phoneme within an initial blend of a single-syllable word (e.g. "spat" - "sat")
- reads multisyllabic words with common double graphemes and applies this when reading continuous texts (e.g. "ss" - "blossom", "tt" - "letter", "zz" - "fizzy", "ff" - "offend")
- reads words with graphemes representing diphthongs when reading continuous texts (e.g. "ou" - "ground", "ow" - "cow", "oi" - "boil")

### **Word recognition**

- reads new words containing taught grapheme-phoneme correspondences in a variety of contexts without using obvious sounding-out strategies
- reads high-frequency words within a continuous text accurately and without hesitation (see Fluency)

### **Phonic knowledge and word recognition**

- reads less common graphemes that contain alternative spelling for phonemes (e.g. /ch/tch/j/g/) and applies this knowledge when reading continuous texts
- reads multisyllabic words, including those with prefixes and suffixes, and applies this knowledge when reading continuous texts (e.g. "in-", "ex-", "dis-", "-ful", "-able", "-ly")
- reads words with silent letters in digraphs and applies this knowledge when reading continuous texts (e.g. "kn" - "knot", "mb" - "lamb")
- reads multisyllabic words with more complex letter combinations and letter clusters (e.g. "-igh" - "right", "-tion" - "station", "-ough" - "cough")

### **Resource – Spanish language resource**

## **Spanish**

### **Language support resource**

The Spanish Language support resource was developed to support teachers as they plan teaching and learning programs to implement the Australian Curriculum: Spanish. It is optional and includes illustrative examples of language and language use.

#### **Introduction**

The resource provides suggestions for sequential development in 2 parts:

- Part 1 – language features and structures
- Part 2 – thematic contexts for language use.

The content is presented in 3 broad levels: beginner, intermediate and advanced, and is independent of the year bands and sequences in the curriculum and the time spent on task.

Teachers can use suggestions in the resource to adapt curriculum content to meet the diverse language needs and learning backgrounds of students at different entry points into second language learning. For example, if a Year 5 student is learning Spanish for the first time, a teacher can use the cognitive demand of the Years 5 and 6 curriculum achievement standards and content descriptions

combined with beginner language features and structures, and/or thematic contexts.

Language features and structures

Part 1 provides language features and structures that are neither exhaustive nor mutually exclusive across the 3 different levels. Beginner, intermediate and advanced levels demonstrate how a particular feature or structure could be developed at different stages of a continuum of second language learning.

Thematic contexts for language use

Part 2 provides examples of thematic contexts for language use at beginner, intermediate and advanced levels. They are designed to give teachers ideas about how to support a progression of learning related to contexts and concepts of language use. Teachers are encouraged to adapt these to allow for student agency and to meet the needs, abilities and interests of their students, using the approaches, methodologies and pedagogies that best suit their students' learning.

## **Resource – WS01 - Parts of the body**

By the end of Year 2, students use Spanish language to interact and share information related to the classroom and themselves. They use cues to respond to questions and instructions, and use simple formulaic language. They locate and convey key items of information in texts using non-verbal, visual and contextual cues to help make meaning. They use familiar words and modelled language to create text.

Students imitate the sounds and rhythms of Spanish and demonstrate understanding that Spanish has rules for non-verbal communication, pronunciation and writing. They give examples of similarities and differences between some features of Italian and English. They understand that language is connected with culture, and notice how this is reflected in their own language(s) and culture(s).

### **AC9LS2C01**

##### **Learning progression extract**

The following learning progression extract shows the alignment of the learning progression with this content.

##### **Phonic knowledge**

- reads words with taught vowel digraphs (e.g. "ee", "oo", "ay", "ai", "ea", "oa", "ow") and applies this knowledge when reading decodable texts
- reads and writes common, one- and two-syllable words with clusters of consonants (e.g. "plant", "string", "object")
- reads 2-syllable words with open or long vowel sounds when reading decodable texts (e.g. "label", "project", "even")

##### **Word recognition**

- reads most common high-frequency words (e.g. 100 or more) in continuous text

##### **Phonic knowledge**

- reads CCVCC words (e.g. "trust"), CCCVC words (e.g. "scrap"), CCCVCC words (e.g. "thrust") and applies this knowledge when reading continuous texts
- reads words with r-controlled vowel digraphs "ar", "er", "or", "ur", "ir", writes words accordingly and applies this knowledge when reading continuous texts (e.g. "ir" - "bird", "er" - "sister", "ar" - "card", "ur" - "hurt", "or" - "word")
- applies common phonic generalisations when reading continuous texts (e.g. soft "g" - "age", hard "g" - "game")

- says and represents the new word when asked to delete a phoneme within an initial blend of a single-syllable word (e.g. "spat" - "sat")
- reads multisyllabic words with common double graphemes and applies this when reading continuous texts (e.g. "ss" - "blossom", "tt" - "letter", "zz" - "fizzy", "ff" - "offend")
- reads words with graphemes representing diphthongs when reading continuous texts (e.g. "ou" - "ground", "ow" - "cow", "oi" - "boil")

### **Word recognition**

- reads new words containing taught grapheme-phoneme correspondences in a variety of contexts without using obvious sounding-out strategies
- reads high-frequency words within a continuous text accurately and without hesitation (see Fluency)

### **Phonic knowledge and word recognition**

- reads less common graphemes that contain alternative spelling for phonemes (e.g. /ch/tch/j/g/) and applies this knowledge when reading continuous texts
- reads multisyllabic words, including those with prefixes and suffixes, and applies this knowledge when reading continuous texts (e.g. "in-", "ex-", "dis-", "-ful", "-able", "-ly")
- reads words with silent letters in digraphs and applies this knowledge when reading continuous texts (e.g. "kn" - "knot", "mb" - "lamb")
- reads multisyllabic words with more complex letter combinations and letter clusters (e.g. "-igh" - "right", "-tion" - "station", "-ough" - "cough")
